. The order dated 28.07.2004 reads thus :-

> By this petition the petitioner has challenged certain notice issued to the petitioner under the Maharashtra Private Forest Act. The petitioner has all the rights to contest the notice on all ground mentioned in this petition. Reserving those rights to the petitioner, the petition dismissed.

2. The application for restoration is wholly misconceived as the Writ petition was not dismissed in default but was dismissed on the ground that the petitioner has all rights to contest the impugned notice on the grounds raised in the Writ petition.

3. Civil application for restoration is accordingly, rejected.
